Little Stars December Virtue

Generosity, Charity and Service

December, the month of our “light in the darkness” holidays (Hanukkah, Christmas) is a time of joy. It is also a time when historically, we have turned our hearts toward helping those in need. Generosity, service, and charity are 3 extremely important ideas for the month.

Generosity is giving to another person something of yours as an act of freewill, without obligation.

Service is giving to others, making a difference in their lives. You consider their needs as important as your own. Be helpful without waiting to be asked.

Charity in its purest sense means love and encompasses our love for our fellow people.
